Liptovský Mikuláš is famous for water sports. Testing the water on your own skin (even in neoprene – you can rent it) in Mikuláš is one of the experiences, which you have to try. For bigger groups we can organize it (when you let us know in time). Rafting lasts for approx. 2 hours. Price for 1 boat is 129,5 €. Don't forget to bring shoes for water. The other necessary equipment you will rent (rent is included in the price). Rafting is not suitable for children without any boating experiences, otherwise everyone can try it. And most probably you will meet on the river also Famous Michal Martikan, our Olympic winner in canoe slalom discipline. www.mutton.sk

Caves

For those, who need to „get colder“ after the tournament round, we offer to visit a cave. Once you decide for such a „cooling relax“, do not forget to take also anorak and long trousers with you – the temperature in the cave is always +7 degrees, no matter what the weather and temperature outside is. Visitors from abroad (groups) have the possibility to listen to a guide in their own language (PL, HU, RU) from the recorder – please order your visit in advance.
